# **FIREFOX SHORTCUT KEYS**

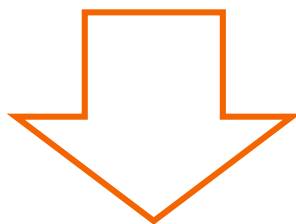

---

*Keyboard Shortcuts*

Small or Large firms, computers and internet now a days play a vital role. Firefox is one of the Web Browser used by many of the firms. Firefox Shortcuts are a bit different from that of [Chrome Shortcuts](#). Learning this shortcut you are on a right track in working faster.

All the below shortcuts will help you to carry out the work at a faster pace. Just Like you studied [Firefox shortcuts](#), you can have a look at the [Chrome Keyboard Shortcuts](#). I would recommend that Firefox users should definitely learn this shortcut and improve their productivity, work at pace and become a Firefox Ninja Shortcut Expert.
